

PUBLIC NOTICE

Authorized Motor Vehicle Inspection Business

The Authorized Motor Vehicle Inspection Business is one of the servicing activities outsourced by the Authority under the provision of Section 55 of The Land Transport Act 1998.

Under the scheme, members of the Public can have their vehicles inspected by Authorized private companies provided they fall below the 3.5 tonne Gross Vehicle Weight and are under non PSV registered category.

As practiced over the years these agencies have been charging and utilizing as business cost the same legislated prescribed fees collected by LTA that is apportioned as follows; \$14:50 for inspection application and \$14:50 for Certificate of Roadworthiness issuance.

Members of the Public are to be informed that the fees mentioned above is Government revenue and therefore will now be paid into Government Consolidated Account through the LTA revenue payee system.

As such customers taking their vehicles to private agencies are to expect extra fees charged as business cost, do note that under business competitive environment this would vary amongst the companies.

However, customers and members of the public are advised that cost of inspection at any LTA office remain as that prescribed by law with no other extra fees charged. The choice will now be with customers of where they intend to have their vehicles inspected.

The Authorized Motor Vehicle Inspection Agencies include;

1. Dee Ace Motors – Lami
2. Millennium Groups of Company – Nadi
3. Motor Management Services Limited – Vatuwaqa

All customers using the services by these Inspection Agencies are advised accordingly.
